

111M

LLAVE COMBINADA

- Llave combinada, dimensiones métricas
- Según: ISO 691, ISO 7738, ISO 3318, ISO 1711-1 y DIN 3113
- Material: Aleación de acero de alto rendimiento
- El perfil en U proporciona una mayor comodidad
- Boca abierta con ángulo de 15° con una cabeza más fina para obtener mejor accesibilidad
- Perfil Dynamic Drive bihexagonal que prolonga la vida de tuercas y tornillos
- Boca cerrada con ángulo de 15° con espacio para los nudillos o mejor agarre
- Marcado más grande y bi-direccional para facilitar la identificación
- Cromado mate que proporciona una gran calidad superficial
- Diseño patentado en U
- **SB** = Embalaje en blister con información del producto
